CERTIFICATION

React Js and Node js

DevOps Training

PROFILE

I am a passionate software developer with a strong foundation in Java, Python, and Linux. I have hands-on experience in frontend development (HTML, CSS, JavaScript, React.js) and backend technologies (Node.js). Additionally, I have completed DevOps training, focusing on CI/CD pipelines, Docker, and Linux administration. I am eager to apply my skills and contribute to innovative projects through an internship opportunity.
